# An Amazing Invention—"Magic Art Reproducer"

# DRAW ANY PERSON IN ONE MINUTE!

## NO TALENT! NO LESSONS!

You Can Draw Your Family, Friends, Anything From REAL LIFE—  
Like An Artist... Even If You CAN'T DRAW A Straight Line!

Anyone Can Draw With This Amazing New  
Invention—Instantly!

Complete for only **\$1.98** De Luxe Model—with extra high power, extra clear and sharp "reproducer" unit.

### A New Hobby Gives You a Brand New Interest!

Yes, anyone from 5 to 80 can draw or sketch or paint anything now... the very first time you use the "Magic Art Reproducer" like a professional artist—no matter how "hopeless" you think you are! An unlimited variety and amount of drawings can be made. Art is admired and respected by everyone. Most hobbies are expensive, but drawing costs very little, just some inexpensive paper, pencils, crayons, or paint. No costly upkeep, nothing to wear out, no parts to replace. It automatically reproduces anything you want to draw on any sheet of paper. Then easily and quickly follow the lines of the "picture image" with your pencil... and you have an accurate original drawing that anyone would think an artist had done. No guesswork, no judging sizes and shapes! Reproduces black and white and actual colors for paintings. Also makes drawing larger or smaller as you wish. Anyone can use it on any desk, table, board, etc.—indoors or outdoors! Light and compact to be taken wherever you wish. No other lessons or practice or talent needed! You'll be proud to frame your original drawings for a more distinctive touch to your home. Give them to friends as gifts that are "different," appreciated.

Have fun! Be popular! Everyone will ask you to draw them. You'll be in demand! After a short time, you may find you can draw well without the "Magic Art Reproducer" because you have developed a "knack" and feeling artists have—which may lead to a good paying art career.
